THE VENUE

Originally a working hop farm, Chafford Park has been managed by our family since 1902.

We are now an arable farm exploring sustainable practices and have restored our old Hop buildings to create a truly magical setting for your wedding.

Surrounded by enchanting woodland and wild meadow field, our barn wedding venue is incredibly spacious yet has the rare ability to feel intimate.

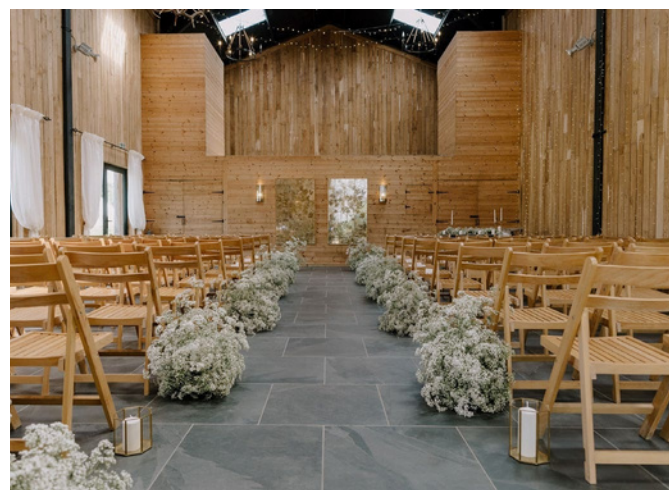

It's the perfect place for you to let your imagination run wild – whether you want to host a festive-style celebration or want an elegant and understated soirée. You'll have vast amounts of space and open fields (just imagine the lawn games), as well as the dreamiest golden hour and sunset shots over the meadow .

Our exclusive barn wedding venue in Kent is filled with pockets of magic in every corner. The barns are striking, spacious and stylish. As the evening draws in, they light up with thousands of fairy lights, creating an enchanting wow-factor element.

Here at The Chafford Park, we're big on versatility, freedom and stress-free celebrating. You will always have access to the venue the day before to decorate, personalise it and make it really feel like yours! There's no last-minute rushing around here – just fun!

The endless fields and forest will transport you and your guests a million miles away, offering you the chance to escape the hustle and bustle of busy life.

Sounds rather dreamy, right?
